OUR MISSION

Congregation Beth Solomon was founded over 50 years ago by Rabbi Solomon Isaacson.

The synagogue serves the Jewish community of Northeast Philadelphia as well as the surrounding areas of Huntingdon Valley, Bucks County, Montgomery County, and Holland.

Functioning as a community center, CBS provides various services including weekly lectures, Hebrew School, Womens Programming, Kosher Catering, Summer Camp for Girls, Early Childhood Centers, After School Extracurricular programs, Holiday Events, Shabbos Programs, and more.

Home to the Philadelphia Russian Kollel, CBS is proud of our group of full time Torah Study Rabbis who learn daily at our shul. They learn with community members in the evenings via groups or individual study.
